Non-uniform day and design a school mascot competition!

Friday 18th January 2019

Dear parents/ carers,

This term, our Year 6 children have been working in groups to come up with realistic and affordable ways in which we can improve our school. They presented their ideas to the school and attempted to persuade the other children to vote for their team. Once the whole school had voted, the ballot papers were collected and counted and the winners were announced...

Well done to The Blue Monkeys!

The Blue Monkeys would like to hold a **non-uniform day** to raise some money to help improve our school environment. **On Friday 18th January**, children are invited to come to school in non-uniform in return for **a donation of £1**. The money raised will help us fund a large piece of wall art designed and created by a real artist and the children of our school.

The Blue Monkeys are also holding a **competition**. They would like the children at Royston to design a new school mascot! Entries are to be brought in on Friday 18th January. The winner will be announced in a collective worship in the following weeks.

Thank you for your support.

Mrs Moore and The Blue Monkeys!
