Friday 20th September

Dear Families,

What an excellent week in school! We have been visited by Father Craig this week for collective worship which was wonderful. Lots of events have now been booked in to share collective worship at the church too. The children are also sounding in fine form in our daily collective worship time. This week we have been practising 'All Things Bright and Beautiful'. The children are truly raising the roof in choir too. We are looking forward to the fitting of some sound absorbing boards in our school hall, this will make the acoustics sound even better.

We have been looking at tailoring our curriculum this week and developing some key focus for our school moving forward. We are looking forward to sharing this with you after half term. Thank you to Mr. White for your leadership on this area of the curriculum. All staff are excited and enthusiastic about some exciting changes ahead.

The Twitter feeds have been very busy this week, please remember this is the best way to stay up to date on a day by day basis about what is happening in your child's class. As you will see on the Twitter feeds we are having a HUGE school push on times tables so get practising. Times table Rockstar log in codes will be soon given out to every class in school.

As always have a wonderful and safe weekend.

Lee Spencer

(Executive Headteacher)
