School Reopening

Dear Parent/Carer

As always, I hope this letter finds you safe and well.

By now you may have heard some significant news regarding the start of January school reopening.

Having watched the briefing, read the guidance and digested the information, it is clear that primary schools in our region will be returning, as planned, on Monday 4th January 2021. I will update you if this changes.

The effective procedures and routines put in place during the Autumn Term remain – as does your child's start and collection time. Your child, and every member of our school and wider community, is our utmost priority – now more than ever. Therefore, we will continue to implement the highest level of hygiene, social distancing and other measures stated in our risk assessment.

Can I also remind you all, unless medically except, to wear a face covering when dropping off and collecting your child. Whilst in and around the school grounds, please remember to maintain social distancing and leave the school premises as soon as possible.

It is vital that you inform the school as soon as possible if your child or a member of your household is showing symptoms (and therefore isolating or awaiting test results or has tested positive).

On behalf of all of us at RSJB, we look forward to welcoming all of the children back into school.

Take care and keep safe

Mr L Spencer
Exec. Headteacher
