Friday 4th September

Dear Families,

It has been amazing to see the children back in school. So many smiling faces and children keen and happy to learn. All the children in school have genuinely taken to school life again so well and it seems as if they were never away. Thank you to families for adapting to our new measures to keep children, parents and staff as safe as possible. It is vital that all pupils arrive on time and that parents follow the one-way system. Please note that hot school dinners are now available in school. All children in Reception, Year 1 and 2 are entitled to a free hot school meal.

During our time away from Royston St Johns, our amazing caretaker Mr. Rodgers has been in school supervising the refurbishment of our school hall. Many thanks to all the members of staff who were in preparing classrooms through the holidays too. They look excited and ready for our wonderful children to achieve.

A warm welcome to Miss Hinds who joins us as our Year One teacher for this year. Mrs Levitt is expecting her first child, which we are thrilled to announce and although she is still with us in school, we wanted to ensure our wonderful Year Ones would have no disruption to their teaching. Miss Hinds is an experienced Year One practitioner and has settled in so well in just a few short days.

Please remember to follow us on Twitter @StRoyston or @CommunityRsjb; the best place to keep right up to date with all that is Royston St Johns! Have a lovely weekend and thank you yet again for everything you do for school and more importantly our wonderful children.

Although things are different in these uncertain times we are doing our utmost to ensure children are safe and happy at school.

PE

PE lessons will be starting next week. Children can attend school in their PE Kits on PE days as it will be difficult to facilitate changing areas at present. PE will be outside whenever possible so children must dress warmly with trainers, black tracksuit bottoms and black zip-up hoodies. All jewellery must be removed.
