Friday 11th September

Dear Families,

First of all, a huge thank you to the children and staff who made our sculpture day a day to remember. Our Royston St John Sculpture Park is now officially open! Children took part in painting, weaving and building activities that allowed them to express their feelings about lockdown. The whole day was organised by Miss Openshaw who worked so hard through the summer preparing for yesterday's event. Thank you also to the members of our community and staff that helped in the holiday and donated items to school.

Again, we would like to thank our families and the RSJB community for working with us in following the guidelines that are in place for all schools in England. These systems are working well and we have had a large number of parents say how happy they are with the one-way system. We thank you for working with us.

We would also like to officially welcome all our reception starters as they complete their first full week of 'Big School'. They have settled in so wonderfully. Please remember to join Twitter for the latest updates from school if you have not done so already. Miss Openshaw and Miss Best will be hosting a Teams (online) meeting for parents in the next few weeks to allow any questions you may have, to be answered.

Uniform

It was brought to our attention just before the summer holidays that Wishing Well in Mapplewell has closed down. Vortex is now our supplier of branded school uniform. Everything that was available from Wishing Well is still available at Vortex as well as a few new items. We have added coloured PE tops (team colours), black zip up hoodies and new book bags to the products they have. There is no expectation for families to purchase new items but we want to let you know they are available here if you need any items throughout the year. Next year we will be making coloured PE tops part of the PE Kit but white ones can still be worn this year. Orders can not yet be taken from the school office due to Covid restrictions but orders can be placed direct with Vortex through their website www.vortexschoolwear.co.uk

Polite Notice

Can you please ensure that you are socially distancing in the queue at drop off and pick up times. Please be considerate towards other people in our school community by not smoking whilst others are waiting with their children at these times. Thank you.

This Week's Menu – Week Com 14/09/20
