Friday 13th November

Dear Mums, Dads and Carers,

First of all, I want to thank our wonderful community for your support with 'wear red' for remembrance. We raised an astonishing £289.32! We are so proud of our school community and feel more than ever we are pulling together. I truly feel that we are such a strong community at Royston St John the Baptist and although these are very difficult times we are stronger than we have ever been. We will let you know the 'Pennies for Pudsey' total in next week's letter. The children have all looked fantastic today and enjoyed lots of 'Children in Need' themed activities.

Please remember to maintain a social distance of 2 metres and wear a face covering, unless you are exempt, outside of school when queuing on Vicarage Lane to drop off and pick up your children. This is not only vital for supporting us as a school but also for supporting our local community in Royston. Please can we also just remind parents that if anyone in the household has symptoms then the whole family **must** isolate. If anyone in the household is going for a Covid test due to symptoms then the whole household **must** isolate; pupils **must not** return to school until there is a negative test result even if the symptoms are no longer apparent. This is vital to keep us all safe. Covid results must be communicated via the Covid email address which is checked on a regular basis by our senior management team covidresultRSJB@smat.org.uk

Dental/Hospital Appointments

If you have to take your child out of school for any appointment, it would be appreciated if you could bring their appointment card to school so it can be photocopied. This can be taken to the main entrance so office staff can photocopy your child's appointment letter or take details from any appointment texts you may receive. You may also email the letter to c.macfarlane@smat.org.uk. This will avoid an unauthorised absence mark and make staff aware that your child will be absent or leaving school early.

Change to School Lunches

Just a reminder that from Monday all children can choose on the day if they would like a school lunch. We are hoping this will support families especially those in Key Stage One as these children are entitled to a free school lunch. As we are approaching winter, a warm school lunch is very important to many children. Feedback from parents has been so positive that this will be a permanent change to school lunches in order to support all families.

Afterschool Clubs – 3.30 to 4.30 pm

Multisports Y4	Mondays – 16/11, 23/11, 30/11, 07/12, 14/12
