Friday 26th March 2021

Dear Mums, Dads and Carers,

It was a year ago that we closed the school to most children and began the first Lockdown. What a year it's been! We do still need to keep being cautious and carrying out the right actions to keep each other safe but I do sincerely hope that we are on the way out of this.

I genuinely can't believe that we are at the end of the term already. It feels like we have only just got started. The children have returned brilliantly after Lockdown and settled straight to their work. We are currently looking very carefully to see where children are in their learning and what support they may need.

It's been a very odd term but one that children have managed brilliantly, both adapting to remote learning and then coming back to school on the whole, ready and eager to learn. Our Year Four pupils have seen great resilience in adapting to remote teaching once again too. I want to praise all staff who have been magnificent throughout. I also want to say well done to you all for helping your children through this really difficult year. Equally our Trust (St Marys Academy Trust) have been just fantastic at supporting us as a school so thanks to them too.

## **Reading**

One of the easiest ways to support your child to make the right progress is to ensure that they read every night. Reading is arguably the most important thing they learn to do in Primary School and it opens up all other learning to your child throughout their time in school. Please make sure your child reads every night, talk to them about their reading and even better read with them every night too.

## **Packed Lunches**

We have seen a number of children bringing quite unhealthy packed lunches to school. We will be looking at packed lunches after Easter and talking with parents about how to make them healthier. Please think about what you put in your child's packed lunch.

If your child displays symptoms of Covid 19 during the Easter holidays, you must isolate and take your child for a test. If a child tests positive before Wednesday 31<sup>st</sup> March, this may result in a bubble closure meaning pupils who had been in contact would need to isolate over the Easter Break. Please inform school using the usual method if this happens.

Here is our school procedure for reporting test results:

- Between the hours of 8:30 a.m. and 4.00 p.m. Mon to Fri (term time) ring the school office on **01226 722011**
- Out of school hours – evenings and weekends we ask that you email the test result through to our new email address [covidresultRSJB@smat.org.uk](mailto:covidresultRSJB@smat.org.uk). This will be monitored periodically on an evening and at the weekend.  
**Please do not use our normal email addresses to report test results.**

Thank you for your ongoing support and help though this period. Your messages of thanks have meant so much to staff across school.

Yours sincerely

L. Spencer

Exec. Headteacher
