Friday 28th May 2021

Dear Mums, Dads and Carers,

I hope all is well and that some of you have been able to enjoy some additional activities with the reduction of restrictions in place over the last few weeks. As I have said before, things in school have not officially been altered from our previous guidance. On return after the holidays (Remember we return on Monday 14th June) **please continue to remember to maintain a social distance of 2 metres and wear a face covering, unless you are exempt, outside of school when queuing on Vicarage Lane to drop off and pick up your children. Staff will also be following the same guidelines on return.** We will update you as further guidance is released next half term as to our plans for forthcoming events such as School Sports Day, the Year Six Production and the Year Six Leavers Service.

This week saw the wonderful Mrs Chambers retire from working in our school office after 28 years of service. Lots of tears were shed. The school hall was also covered in old photographs from her time at school. Mrs Chambers will be back for her last Robinwood trip with the Year Six pupils next half term.

This week Ms Steele has been out at other schools across Barnsley and Sheffield conducting 'Deep Dives' into their reading curriculum. This has been great for our school to share with other schools some of the fantastic approaches we use. We can then help share the 'love of reading' we have created at our lovely school. Please remember our reading competition that we shared on our reading newsletter...

Competition Time!

To help the love of reading grow at our wonderful school we have a Competition! Design a poster to help inspire a love of reading. The winner will win a book of their choice along with some other goodies. We will also have two runners up. Our School Librarians will judge the Competition on Tuesday 15th June. Please hand in any entries to your Class Teacher.

We are also delighted that Mrs Becker, one of our Lunch Time Supervisors, who has been absent for a while due to medical reasons will be back with us after the holidays. We cannot wait to have her return to the team!

Please see our new menu (on the reverse side) with lots of vegetarian options for your child to try. Remember no notice needs to be given to order a school meal. The decision can be made on the morning depending on your child's preference.

As always, please do not hesitate to contact us if you need anything or want to ask anything. We wish you a peaceful half term and hope you make lots of memories.

Yours sincerely
L. Spencer
Exec. Headteacher
