Friday 2<sup>nd</sup> July 2021

Dear Mums, Dads and Carers,

We have had busy week in school and our Year 6 pupils have also returned. We were so happy to see these pupils in school. We have had transition meetings for Year 6 pupils attending Carlton Outwood Academy and Holy Trinity. We also hosted an online meeting for Year 6 parents whose pupils are attending Robinwood. Our FS2 staff have been out and about in the community visiting new starters on their doorsteps. Mrs Race has been stepping into her new role as RE lead in school and has already met with Father Craig, this week, to discuss plans for us to hopefully return to our regular visits to church in September. Also, we are very sorry that there was a glitch in the system and parents received an email to update Parent Mail. Please ignore this email but do not worry if you have filled in the attached forms too. We apologise if this has caused any confusion.

A reminder to the Year 6 parents that we will begin their relationship and sex education unit on Monday. If we do not have written consent, your child will be withdrawn from this series of lessons. As stated in the previous letter, directly addressed to Year 6 parents, lessons can be viewed by parents if you wish to see these prior to teaching. Please contact Ms Steele if you wish to view these.

Also, Miss Steele would like to say a huge well done to the children who are reading every day at home. Our children who are reading regularly at home are making tremendous progress. The percentage of children reading at home has vastly improved since the National Lockdown (though still needs to be little higher). The best way to help your child is

to read on a regular basis as well as regular time table practise. Additional practise, of these skills, at home, really is the key to success.

Thank you for your support as always. Keep safe!

Yours sincerely

L. Spencer

Exec. Headteacher

**A Little Reminder: -**

**Please remember, if your child is unwell with diarrhoea and/or sickness, the isolation time before returning to school is 48 hours after the last episode. This isolation time ensures that the illness does not pass to other children and staff in their class.**

**When contacting school regarding the illness of your child, please when leaving a voicemail, preferably before 8.55, state the nature of your child's illness and the symptoms. A call will be made home for symptoms if a voice mail saying just 'unwell' is left. Please contact the school office if you have any concerns or questions.**
