Tuesday 7<sup>th</sup> September 2021

Dear Mums, Dads and Carers,

Welcome back everyone! We are delighted to have you all back in school and what a marvellous day it has been. A big hello to our new starters in Reception Class and the new starters we have throughout school. It is also amazing to see the faces of our new Year 2 class back in school after finishing the year on Google Classrooms. Miss Hines sends her best wishes and is missing you all! A huge congratulations to Miss Openshaw who is now Mrs Nettleship. Mrs Nettleship got married over the summer after having her wedding delayed from Easter 2020. We are absolutely delighted for her and her lovely partner. A huge welcome back to Mrs Levitt who has returned to her Year One classroom after maternity leave. Also, the wonderful Mrs Race has now officially joined our team after moving from Dodworth St Johns to take on the post of Year 2 class teacher and RE lead across school.

As we shared with you back in July, we will not be scrapping bubbles this week and will continue with the actions we were taking prior to the school holidays for the remainder of this week. This will help us transition as a school. For this week school will continue with the times we have run during Covid: drop off between 8:40am and 8:50am and collection from 3:20 pm to 3:30 pm.

However, from Monday 13<sup>th</sup> bubbles will not need to be used in school. As well as enabling flexibility in curriculum delivery, this means that assemblies can resume and children can mix at lunch times. School will change back to arrivals will be between 8:45 am-8.55 am. Arriving after 8.55 am will result in a late mark for that day. If you are late to school children should report to the main school office. Collection time will be 3:30 pm as it was pre-Covid. Gates will be open from 3:25 pm and children will leave school at 3:30 pm. We will still operate our one-way system for drop offs and pickups too as this has worked really well. Year 6 pupils will be let out of school doors at 3:30 pm so please ensure you have arranged with your child where they should wait for their adult if they are not walking home alone. When collecting your child, please ensure your child is well supervised. Outdoor equipment is not to be played or climbed on whilst exiting the school grounds at the end of the school day.

Our instructions are to ensure the building remains well ventilated, to ensure hygiene routines are maintained (handwashing and additional cleaning). Certain elements of the pandemic routines do remain and that is any child with symptoms will be sent home and require a test before returning. The new difference is that even if this test were positive it would not impact on anyone else (i.e. no need to close a bubble or a class), unless of course they too started with symptoms. Similarly, and this is our biggest request to you all, if your child does have symptoms please get them tested and do not send them to school until you know that it is negative. I appreciate this is a big ask, it is coming up to flu and cold season, but if we do end up with a COVID outbreak in school, this could result in bubbles having to be re-introduced, I know we are all desperate for this not to happen. If you have any questions about the routines please just ask.

PE days will be shared this week. Pupils should wear PE kits on PE days. Please ensure that correct PE kit is worn now this is part of the uniform with earrings not worn on PE days.

We are excited to be back and hopefully we can have a much more settled year with no Lockdowns! Please make sure you are following the school Twitter page @StRoyston and you child's class Twitter page as this is the best way to keep up-to-date with class news.

Thank you for your support as always.

Yours sincerely

L. Spencer

Exec. Headteacher

## **This Week's Menu – Week Com 07/09/21**
