Friday 24<sup>th</sup> September 2021

Dear Mums, Dads and Carers,

We have had a wonderful week in school. Lots of smiley happy children and our choir has started again led by the wonderful Mrs Goodyear. It was simply AMAZING to hear singing through the corridors once more. Places are still available. If you would like one please ring the school office directly to arrange this. Our Year 6's have also taken part in a First Aid course today to learn some basic CPR skills. We are delighted to have visitors in our school once more and widen the experiences our children partake in. Ms Steele and Miss Marsh have shared with me all the positive comments they have received from parents at the school gates too. We really do feel RSJB is a special school to be part of.

We will be sharing some Early Reading meeting dates soon for our new starters and Year 1. There will also be an opportunity for our Reception parents to come into school and see their children settled into their new setting.

## Covid

We would also like to thank our families for being so proactive in reporting positive cases of COVID-19 through the use of our COVID email. Moving forward, we ask that you please ring any positive cases through to school so that we can discuss this with you directly and we can put the support in place for remote learning during the period of isolation. So far, we have had no positive cases in school. If your child is sent home from school due to staff concerns over Covid symptoms please do not send your child back until you have received a negative result.

## Autumn Disco

We are super excited as it is only one week today until we will be holding our Autumn Disco on Friday 1<sup>st</sup> October. Mr Hague will be in charge of music and games. All classes will get the opportunity to party in the hall. There will be a KS1 disco and a KS2 disco. This will be in school time. Children will all receive juice and sweets at the disco too. Children can wear dress-down or party clothes to school on this day. We are asking for £2 to cover the cost of the event and to raise money for school.

Finally, Mrs Nettleship (previously Mrs Openshaw) would like to put out a plea for help. On Saturday 9<sup>th</sup> October, Mrs Nettleship will be in school for the morning working on the outdoor areas. Some of the jobs that she needs help with include:

- clearing out current vegetable beds
- sanding down cable reels
- tiling cable reel in FS pond area
- building a table and painting it
- digging over and planting in the beds outside Y3 and Y6
- re-spraying the path
- painting words onto a wall
- painting fences

- repainting cable reels
- general weeding
- sorting the polytunnel

If you are able to help please email Mrs Nettleship on her email [r.openshaw@smat.org.uk](mailto:r.openshaw@smat.org.uk) We cannot have children on school grounds this day due to having dangerous equipment on site.

**NOTE:-** Please do not send your child to school before **48 hours** from their last bout of diarrhoea or sickness as this illness can be easily passed onto other children. On leaving a voicemail on our absence line, please ensure you state your child’s symptoms and not ‘unwell’ as a reason for their absence.

Thank you for your support as always.

Yours sincerely  
L. Spencer  
Exec. Headteacher
