Dear Mums, Dads, and Carers,

Today is the last day of this half term before we break up for two weeks. We return to school on the 13th June. I would like to thank children, staff and parents for your continued hard work and support. It seems that we have fitted so much into this half term. This week we have seen our pupils in Year 5 take part in a trip to the National Coal Mining Museum; they had a wonderful time. We are very happy to be able to take children on trips from school once again; this was greatly missed during Covid.

Speaking To Staff

Please can I ask that parents do not use the personal class Twitter feeds to directly contact teachers. If you have an issue that you need to contact teachers about, staff are available on the doors to pass messages on to. However, if you require a more in-depth 1:1 conversation, please ring the school office to book in a meeting. The Twitter feeds are set up to allow you to see the wonderful activities your children are taking part in. Staff are not asked to check Twitter messages and communication can be lost as messages may go unseen during the week.

Can I just remind parents/carers of children in Reception, Year 1 and Year 2, that your child is entitled to a free school meal every single day. We have a fantastic range of options that work on a 3-week cycle. It is lovely seeing more and more children trying the different foods we have available. Next half term we will be sharing our new healthy eating policy to encourage children to make healthy choices in school.

Quick reminder

Our Year 1 pupils will sit their phonics screening check when we return to school. Please keep reading with your child at home. Regular practise and support from home is vital to success in reading.

Safeguarding Message:

A reminder that if your child is absent from school, you must pass this information on through the school office on 01226 722011 preferably before the start of the school day. We have an answering machine service that will pick up any calls regarding your child's absence. Failure to inform school will result in a text or a call home. If on the third day of absence we are still unaware of the reason for your child's absence, then a doorstep visit will be made. If we are unable to obtain a reason for your child's absence an unauthorised mark will be given, 10 unauthorised marks can result in a fine.

After the half term break, replies to any submitted holiday forms will be sent via email. Please ensure the school office has up to date email addresses as well as phone numbers. Please check that you have registered your child on Parentpay and the telephone number matches the one we have in school in order to receive texts and pay for afterschool clubs and trips. If you have any problems, please contact the school office.

Have a fantastic holiday and we will see you back in school on Monday 13th June.

Yours sincerely

L. Spencer
