Friday 15th July 2022

Dear Mums, Dads, and Carers,

The weeks seem to be flying by as we approach the summer break. This week, we have welcomed our new FS2 children into school for a 'stay and play' session which was great fun and I hope they are all looking forward to joining us full time in September. As the hot weather is set to continue into next week, it is important to ensure that your child(ren) has a hat, water bottle and have sun cream applied at home. They may also bring additional sun cream to apply themselves. School staff are unable to apply sun cream to pupils in school.

Sports day was a fantastic occasion on Monday and it was simply wonderful to be able to welcome parents back into school to support the event. It was amazing to see so many members of our school community cheering on the children. I was so proud of each and everyone of them for their efforts. Some children in Year 6 have also been to visit the residents at Westmeads to take part in an art activity with Mrs Bailey. They had a superb time.

Next week is the start of a really busy week in school. We have Year 3 visiting Clifton Park Museum on Monday, where the children will explore a fantastic and exciting modern museum, taking them on a journey through South Yorkshire's rich history. Children are reminded that they need to be in full school uniform for this day.

Unfortunately, we have had to make the difficult decision to postpone Year 2's trip to the Wildlife Park on Tuesday due to forecasted intense heat. We have worked hard to rearrange this trip and a new date has been agreed for Tuesday 20th September to ensure that the children do not miss out on this fantastic opportunity.

On Wednesday, our Year 6 children will be going on their three-day residential to Robinwood where they will be overcoming fears and testing themselves in a number of different outdoor adventure activities. The Year 6 residential trip is a fantastic few days, one that the children will remember for years and years.

Transition Day

The current year 3 will be having their transition day with Mrs Wright on the morning of Tuesday 19th and Wednesday 20th July. For the rest of the school, transition day will be the morning of Monday 25th July where your child will meet the class teacher and support staff for their new school year.

Camera Found

A digital camera has been found outside of school on Vicarage Lane. If this belongs to you, or you know who it may belong to, please let them know they can come into school to collect it.

Heatwave

We are forecast to have another very hot start to next week. The Department of Education have advised all schools that they should remain open and that children should attend as normal. Please be reassured that our children's safety is our main concern. The following measures will be put in place:

- If children would prefer, they can come in their PE kits next week
- Staff will be encouraging children to keep hydrated during the day
- Children are encouraged to bring a hat/ suncream
