Dear Mums, Dads, and Carers,

As our third week back in school after the summer comes to a close, one which started with the fabulously heart-warming celebrations and remembrance of our beloved Queen Elizabeth II, I would like to say what a pleasure it has been to see the children enjoying their learning and working hard in all classes across the school. Remember to check our twitter feeds to see exactly what has been going on and what wonderful work the children are producing at Royston St John Baptist.

This week also saw a visitor from the English Hub come into school to have a look at our provision for early reading and how we encourage, not only children to be able to read effectively, but also children to develop a love of reading along the way. She was very impressed with what she saw when observing the strong teaching of Read Write Inc. Phonics, which is now fully embedded across school, and thought our shared reading spaces were truly delightful. Mrs Wright and Miss Best will take part in further work with the English Hub throughout the year to ensure we become even stronger in these areas and create what is a fantastic experience for all children while in school.

We would like to share some messages and reminders:

Flu Vaccinations

The Nasal Flu Vaccine Team will be in school on Thursday 6th October. Please type the following **Link** into google and the **School Code** to complete the consent form for your child's nasal flu vaccine to be carried out in school. Vaccines will not be given without the consent of a parent or legal guardian.

We appreciate not all parents/carers are able to use or have access to the internet so please feel free to email or ring Barnsleysais@swyt.nhs.uk or **01226 438828** if you are struggling.

Medical Information

Medicines and laxatives must be handed in at the office so a medicine form can be completed, and staff made aware of any child needing medicines in their class. It is important that these are not left with the children, either in water bottles or in their bags, as other children in the class may accidentally have access to these.

Medical/Dentist Appointments

Please can any doctor or dentist appointments, where possible, be booked outside of school hours. If an appointment is booked during school hours, then evidence of this should be shown to a member of office staff or a letter given to be copied and kept on file as evidence of your child's appointment.

Clothing Donations

We are collecting good quality clean coats, hats, scarfs, gloves and wellibobs for our 'worn with pride' winter collection sale that is coming soon. Please hand your donations to the office or a member of staff. Thank you so much in advance for all your clothing donations.
