Friday 17th March 2023

Dear Mums, Dads, and Carers,

After the disruption of the snow that fell over night last Thursday, it has been great to have a normal week in school. We have had a positive, feel good week in school which started on Monday with an intensive look at the teaching of maths and RE in school. The reports from these both confirmed what we already believed as leaders and showed that as a school we are continuing to make steps in the right direction, improving further on what was seen during the inspection in October. It was also nice to end the week by supporting 'Comic Relief' seeing all the children in school wearing something red and contributing to this fantastic charity – the figure that has been raised will be shared with you, our wonderful school community, as soon as it has all been counted and donated.

As previously mentioned, Miss Marsh has been looking into opportunities for parents to come into school and see the fantastic things that are happening. One of the ways that we are encouraging parents to do this is through attending the coffee mornings that we are organising as a school. Miss Marsh is in the process of putting together a timetable of these events for after Easter and this will be shared with parents at the earliest opportunity. They are a great opportunity to discuss things that are important to you, and to suggest any ways that you believe we can improve as a school, as well as have a coffee, biscuit and a 'natter' with other parents.

Absences

Please ensure you call school on each day of your child's absence, unless advised otherwise, either by speaking to a member of staff or leaving a message on the absence line. Failure to inform school of your child's absence will result in an unauthorised absence mark on the register. Ten or more of these marks can result in a council fine. Evidence is needed for any medical appointments taken during the school day. Please remember that if your child is absent with sickness and/or diarrhoea they must not return to school till 48 hours after their last bout. This helps in preventing the illness being passed on to other children.

Yours sincerely
L. Spencer
Exec. Headteacher
