Friday 24th March 2023

Dear Mums, Dads, and Carers,

We are one week away from the Easter Holidays and we have a lot of exciting things to look forward to next week before we break up. The first being the special Rocksteady concert where they will be treated to some fantastic performances by the children who have been part of our Rocksteady groups this term. It is a fantastic opportunity for children to showcase their skills to not only the children in school, but to their parents as well.

On Wednesday, there are parent's meetings scheduled for children in Year 6. This allows Mr White to discuss children's progress and answer any questions you may have about the process of SATs or what happens during SATs week. Mr White will also be hosting a coffee morning on the first Friday back after Easter to further discuss SATs and what the children are expected to be able to do to achieve National Standard in these assessments. A parent's meeting for parents of children in other year groups has been scheduled for the 2nd week back after the Easter break and letters for appointments will be distributed after Easter.

Thursday sees the Easter Mass in church with Father Craig. This is an event that we always look forward to, as we invite parents to come with us and join in our celebrations of the Easter period. We hope to see as many of you as possible there on **Thursday at 2.30pm.**

Finally, on Friday, the winners of the Royston Award will be invited to share their lunch with our CEO Miss Priestley, where their contribution to school and the wider community can be celebrated in style.

Medical Information

Medicines and laxatives must be handed in at the office so a medicine form can be completed and staff made aware of any child needing medicines in their class. It is important that these are not left with the children, either in water bottles or in their bags, as other children in the class may accidentally have access to these. If your child is suffering from diarrhea and/or sickness, please remember it is 48 hours from their last bout before they should come back into school. This minimises the risk of spreading this contagious illness to other children.

Absences

Please ensure you call school on each day of your child's absence, unless advised otherwise, either by speaking to a member of staff or leaving a message on the absence line. Failure to inform school of your child's absence will result in an unauthorised absence mark on the register. Ten or more of these marks can result in a council fine. Evidence is needed for any medical appointments taken during the school day. Please remember that if your child is absent with sickness and/or diarrhoea they must not return to school till 48 hours after their last bout. This helps in preventing the illness being passed on to other children.

If you have any questions regarding anything in school, please speak to us and we will be happy to help in any way we can.

Yours sincerely
L. Spencer
Exec. Headteacher
