Friday 28th April 2023

Dear Mums, Dads, and Carers,

I would like to start this week's newsletter with a massive thank you to all of you that have been able to attend parents' meetings with your child's class teacher, as well as those who have meetings planned in the coming weeks. From school's perspective we value these meetings greatly, as it gives us an opportunity to discuss your child and often provide any answers to any questions you have about school. The feedback forms that were around for you to fill in have been collected and we will be reviewing these and acting on the feedback to make further improvements to what we do. If you have any further questions about anything to do with school, please contact the school office and someone from the leadership team will be able to contact you to provide answers or discuss any concerns you may have.

As mentioned last week, we have made slight changes to our lunchtime routines, and after a few teething problems and slight tweaks to the way that it runs, we have seen lots of improvements this week, particularly we have seen more children eating more of their lunches, which has better prepared them to continue working hard and concentrating in the afternoons.

On Wednesday of next week, the school photographers are back, this time to take class photographs. For this, we request that all children attend school in their **full school uniforms** – further information will become available about how you can purchase the class photographs next week.

We are also looking forward to the King's Coronation next weekend, and as such are holding a celebration in school on Friday 5th May. For this event, children are encouraged to come to school in non-uniform, where they can wear either Royal/Smart clothing, or British flag colours, of red, white and blue. Also as part of this event, there is a special lunchtime menu for the children and we hope to create a celebration atmosphere around school on this day. Furthermore, we are also requesting donations of non-perishable items for a Tombola at an event we will be holding later this year. If you are able to, it would be fantastic if you could donate items of a red, white or blue colour to keep with the theme of this special coronation celebration. Information about this event later in the year will be available in due course, once plans have been finalised and we can provide you with the required information.

I hope you are all looking forward to a long, and relaxing time with your families and that you enjoy the Bank Holiday weekend – we will see you all back at school again on Tuesday.

Vortex Clothing Co Ltd - Vortex Clothing Co Ltd has made the difficult decision to suspend their School Drop-Off service from **Friday 28th April**. They are now focusing their resources on providing the best service possible through the online and factory shop premises. Any orders already placed for school drop-off will be delivered as requested, but the school drop-off service will be removed as an option on the website. They hope to review the School Drop-Off service again in the next academic year, and we will keep you informed of any changes.

Polite Reminders

Head Lice – I should be grateful if all parents would check their own child's head as soon as possible. Head lice like all types of hair! Should you find any head lice please ensure that your child's head is clear before he/she returns to school. From my own experience it is necessary to recheck every second day thereafter, until you are confident that no new eggs have hatched. They take some catching and it is a painstaking job, but crucial if we are to get rid of them! It is also advisable to check the whole of your family including adults as head lice are easily transferable.

Yours sincerely
L. Spencer
Exec. Headteacher

This Week's Attendance:

<u>Year Group</u>	<u>Attendance %</u>
FS2 (Reception)	91.03
Year 1	94.00
Year 2	92.08
Year 3	94.50
Year 4	93.04
