To know three well-known improvising musicians</p> <p><u>Composition</u></p> <p>To know and be able to talk about: A composition: music that is created by you and kept in some way. It's like writing a story. It can be played or performed again to your friends. A composition has pulse, rhythm and pitch that work together and are shaped by tempo, dynamics, texture and structure. Notation: recognise the connection between sound and symbol</p> <p><u>Performance</u></p> <p>To know and be able to talk about: Performing is sharing music with an audience with belief. A performance doesn't have to be a drama! It can be to one person or to each other. Everything that will be performed must be planned and learned. You must sing or rap the words clearly and play with confidence. A performance can be a special occasion and involve an audience including of people you don't know. It is planned and different for each occasion. A performance involves communicating ideas, thoughts, and feelings about the song/music</p>
Skills	<p><u>Listen and Appraise</u></p> <p>To identify and move to the pulse with ease. To think about the message of songs. To compare two songs in the same style, talking about what stands out musically in each of them, their similarities, and differences. Listen carefully and respectfully to other people's thoughts about the music. Use musical words when talking about the songs. To talk about the musical dimensions working together in the Unit songs. Talk about the music and how it makes you feel, using musical language to describe the music.</p> <p><u>Games</u></p> <p>Using the Warmup Games tracks provided, complete the Bronze, Silver, and Gold Challenges. Children will complete the following in relation to the main song, using three notes: Bronze Challenge: Find the pulse, Copy back rhythms based on the words of the main song, that include syncopation/off beat ○ Copy back one-note riffs using simple and syncopated rhythm patterns. Silver Challenge: Find the pulse Lead the class by inventing rhythms for others to copy back, copy back two-note riffs by ear and with notation. Question and answer using two different notes. Gold Challenge: Find the pulse. Lead the class by inventing rhythms for them to copy back. Copy back three-note riffs by ear and with notation. Question and answer using three different notes.</p> <p><u>Singing</u></p> <p>To sing in unison and to sing backing vocals. To demonstrate a good singing posture. To follow a leader when singing. To experience rapping and solo singing. To listen to each other and be aware of how you fit into the group. To sing with awareness of being 'in tune'.</p> <p><u>Playing</u></p> <p>Play a musical instrument with the correct technique within the context of the Unit song. Select and learn an instrumental part that matches their musical challenge, using one of the differentiated parts – a one-note, simple or medium part or the melody of the song from memory or using notation. To rehearse and perform their part within the context of the Unit song. To listen to and follow musical instructions from a leader. To lead a rehearsal session.</p> <p><u>Improvisation</u></p>

Composition

Create simple melodies using up to five different notes and simple rhythms that work musically with the style of the Unit song. Explain the keynote or home note and the structure of the melody. Listen to and reflect upon the developing composition and make musical decisions about how the melody connects with the song. Record the composition in any way appropriate that recognises the connection between sound and symbol (e.g. graphic/pictorial notation).

Performance

To choose what to perform and create a programme. To communicate the meaning of the words and clearly articulate them. To talk about the venue and how to use it to best effect. To record the performance and compare it to a previous performance. To discuss and talk musically about it – “What went well?” and “It would have been even better if...?”
