# Royston St John Baptist Primary School - Pupil Premium Strategy Statement 2024 / 2027

This statement details our school's use of pupil premium (and recovery premium for the 2022 to 2023 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

### **School overview**

Detail	Data
School name	Royston St John Baptist CE Primary School
Number of pupils in school	173
Proportion (%) of pupil premium eligible pupils 20224 2025	25% (43 pupils) Deprivation 43 Service 0 LAC 0 Adopted from care 0
Academic year/years that our current pupil premium strategy plan covers (3 year plans are recommended)	2022 - 2025
Date this statement was published	September 2024
Date on which it will be reviewed	July 2025
Statement authorised by	Gail Padfield
Pupil premium lead	Rachel Steele
Governor / Trustee lead	Sara Haris

# **Funding overview**

Detail	Amount
Pupil premium funding allocation this academic year 2023 2025	£60,680
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
Total budget for this academic year 2024 2025  If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£60,680

## Part A: Pupil premium strategy plan

### Statement of intent

At Royston St John Baptist CE Primary School we are determined that all pupils are given the best possible chance to achieve their full potential through the highest standards of quality first teaching, focused support, curriculum enrichment and pastoral care. We recognise that all pupils regardless of their background, should have equal access to a curriculum which will enable them to reach their potential.

We believe that the highest possible standards can only be achieved by having high expectations of all learners. Some pupils from disadvantaged backgrounds require additional support; therefore, we will use all the resources available to help them reach their full potential, including the Pupil Premium grant. We believe that the additional provision through the Pupil Premium funding should be available to all pupils within school who we know to be disadvantaged / vulnerable.

This document outlines the amount of funding available, our strategy for spending the grant effectively and how we have used research-based evidence to support our actions. As a school we consider the best ways to allocate Pupil Premium funding annually following rigorous data analysis and the careful consideration of the needs of the pupils.

At Royston St Johns we have a clear, strategic, tiered approach for Pupil Premium funding provision. This follows the EEF guidance and focuses on the following:

- Whole-school strategies that impact all pupils
- Focused support to target under-performance
- Specific support targeting pupil premium pupils

We ensure that Pupil Premium funding and provision impacts positively on attainment, attendance and well-being. A member of our local governing body is identified as a link governor for Pupil Premium, regular meetings with leaders of the school take place where monitoring, provision and outcomes are shared and discussed. The link governor then feeds back key findings from these meetings at full governing body meetings.

## **Challenges**

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	School baseline assessments indicate a large proportion of disadvantaged pupils have limited oral language skills leading to slower reading progress in subsequent years. (September 2024 0% of PP pupils entered EYFS2 at ARE in S or LAU).

2	Identification that on average disadvantaged pupils do not achieve as well as their peers across the curriculum  (KS2 July 2024: PP RWM combined 0% / Non PP RWM combined 67%)
3	Analysis shows that disadvantaged pupils uptake of extra-curricular activities is less in comparison with their peers.
4	Homework and reading records evidence a lack of parental engagement with regards to their child's education for our PP pupils.
5	Historically disadvantaged pupils have lower attendance rates than non-disadvantaged. (July 2024: PP 91.1% / Non PP 94.1%

### **Intended outcomes**

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome			Success criteria
Raise the attainment of disadvantaged pupils in phonics.		ntaged pupils in	Disadvantaged pupils will attain in line with their peers in the Year 1 Phonics Screening Check.
<b>2024</b> 64% PP	/ 100% Non PP		
Raise the attainment of disadvantaged pupils in times tables.		ntaged pupils in	Disadvantaged pupils will attain in line with their peers in the Year 4 Multiplication Times Table Check.
<b>2024</b> APS PP	20.5 / Non PP 23	2.6	
Increase the attainment of disadvantaged pupils, in EYFS and increase progress rates.			Disadvantaged pupils will attain in line with their peers when attaining GLD by the end of EYFS.
EYFS and inc	rease progress ra

Improve the attendance of pupils eligible for the pupil premium grant, narrowing the gap between this group of pupils and their peers.	All disadvantaged pupils meet the schools attendance target.
( <b>July 2024:</b> PP 91.1% / Non PP 94.1%	

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### **Teaching (for example, CPD, recruitment and retention)**

Budgeted cost: 2024 / 2025: £28,341

Measure	Activity	Evidence that supports this approach	Challenge number(s) addressed
Priority 1: To increase the percentage of disadvantaged pupils attaining EXS & GDS across the curriculum.	High quality CPD to be delivered weekly by members of SLT on our teaching and learning approach, marking and feedback and use of target setting and assessment procedures to teachers and support staff. Bespoke CDP cycles to be delivered to meet individual need.	EEF research states that good teaching is the most important lever schools have to improve outcomes for Disadvantaged pupils.  Pupil Premium Guidance.pdf (educationendowmentfoundation.org. uk)	1,2
Identification: Identification that disadvantaged pupils do not attain	Networking across the Trust enables staff to upskill knowledge.		
as well as their peers at GDS standard.	Review of marking and feedback policy to ensure that feedback is used consistently in every lesson to support pupils understanding and support progress.	EFF research suggests that effective feedback improve learning by an additional 8 months.  Feedback   EEF (educationendowmentfoundation.org. uk)	
	Development of reading fluency to enhance the daily LIRA session and ensure pupils catch up.  Effective deployment of support staff to ensure bottom 20% have regular access to QFT to catch up.	EFF research suggests that Fluent reading supports reading comprehension. When pupils read fluently, their cognitive resources can be redirected from focusing on decoding and onto comprehending the text. For this reason, fluency is sometimes described as a bridge from word recognition to comprehension.	
		EEF blog: Shining a spotlight on reading fluency   EEF (educationendowmentfoundation.org. uk)	
	Daily allocated time for the phonics lead to model, monitor and support in the planning and delivery of phonics.	EEF research evidences that phonics has a positive impact overall (+5 months) with very extensive evidence	

	and is an important component in the development of early reading skills, particularly for children from disadvantaged backgrounds.	
	Phonics   EEF (educationendowmentfoundation.org. uk)	

# Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: 2024/ 2025: £19,339

Measure	Activity	Evidence that supports this approach	Challenge number(s) addressed
Priority 1: To narrow the attainment gap between disadvantaged pupils and their peers.  Identification: Identification that disadvantaged pupils do not attain as well as their peers in reading, writing, maths and phonics.	Using pupil progress data analysis and cohort action plans establish small group reading interventions for pupils working below age related expectations.  Use CGP and CGP Stretch to ensure appropriate pitch and challenge in text level and questioning.  Clear intervention timetable to deliver targeted wave 2 to identified pupils, progress monitored and tracked regularly.	EFF research suggests that small group tuition improves learning by 4 months and reading comprehension strategies by 6 months.  Small group tuition   EEF (educationendowmentfoundation.org.uk)  Reading comprehension strategies are high impact on average (+6 months).  Alongside phonics it is a crucial component of early reading instruction.  It is important to identify the appropriate level of text difficulty, to provide appropriate context to practice the skills, desire to engage with the text and enough challenge to improve reading comprehension.  Effective diagnosis of reading difficulties is important in identifying possible solutions, particularly for older struggling readers. Pupils can struggle with decoding words, understanding the structure of the language used, or understanding particular vocabulary, which may be subject-specific.  Reading comprehension strategies   EEF (educationendowmentfoundation.org.uk)	1,2
	1:1 phonics intervention delivered daily to identified pupils to ensure they quickly catch up and keep up.	EEF research evidences that phonics has a positive impact overall (+5 months) with very extensive evidence and is an important component in the development of early reading skills, particularly for children from disadvantaged backgrounds.  Phonics   EEF (educationendowmentfoundation.org.uk)	
	Using last year's academic data and cohort action plans establish small group maths interventions for pupils working below age related expectations.	EFF research suggests that small group tuition improves learning by 4 months and reading comprehension strategies by 6 months.	

CPD to be delivered to TAs to upskill their mathematical skills and knowledge in delivering effective intervention groups. Research based evidence to be used to support strategies and approaches employed.	Research identifies that positive outcomes for pupils through targeted intervention from TA support has most impact when time and resources are spent on quality CPD to improve	Education Endowment Foundation   EEF  Research identifies that positive outcomes for pupils through targeted intervention from TA support has most impact when time and resources are	
Booster classes to take place in order to narrow the gap in Year 5 and 6.			

# Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: 2024/ 2025: £13,000

Measure	Activity	Evidence that supports this approach	Challenge number(s) addressed
Priority 1: Improve the attendance rates of disadvantaged pupils and reduce the PA for identified families.  Identification: July 2024: PP 91.1% / Non PP 94.1%	Develop systems to support families identified on the RAG rated tracking to best improve the attendance of PP pupils.  Use of SLA for EWS to support families with attendance issues.  Reinforce school approach to incentives and a rewards system for attendance and PA.  .  Monthly meetings to be held to monitor attendance and decide on actions to reduce persistent absence and intervention prior to falling into persistent absence.	achievement DfE research (2015) <a href="https://assets.publishing.service.gov.uk/gov">https://assets.publishing.service.gov.uk/gov</a> <a href="https://assets.publishing.service.gov.uk/gov">Department for Education (publishing.service.gov.uk)</a>	5
Priority 2: To provide support for pupils with SEMH concerns.  Identification: A high proportion of PP pupils enter school with SEMH issues that impacts on learning and development.	Early identification of pupils with SEMH difficulties and clear lines of communication to share intended actions of support to be taken, with parents/carers.  Support from Compass Be – local provider of MHST including audit of school provision CPD for staff, parent workshops and individual / group work with pupils as required.  Branching Minds support for identified pupils.	barriers to learning through Learning Mentor support can have a positive impact on outcomes for disadvantaged pupils, parents and	3

	PSO support provided to families and where required EHA framework implemented and social services support and intervention.  Further refinement to use of CPOMS and categorising incidents to feed directly into monthly VCFM and identification of actions required.	school and in later life, in relation to physical and mental health, school readiness and academic achievement, crime, employment and income.  https://educationendowmentfoundation.org.uk/public/files/Publications/SEL/EEF_Social_and_Emotional_Learning.pdf	
Priority 3: Continue to improve SEND provision and ensure effective strategies are in place to support the progress and attainment of SEND/PP pupils.  Identification: 2024 data across all phases shows disadvantaged pupils with SEND are low attaining and progress is not in line with peers.	Regular SEND KIT meetings HT/SENDCO.  SEND/PP pupil progress meetings conducted at key assessments points.  Whole school provision map created with SENDCO to ensure all children who are SEN Support are monitored closely and support is provided through graduated approach (Assess, plan, do, review).  Clear channels of communication with parents/carers.  SEND pupils needs to be catered for through SMART targets and appropriate adaptations to lessons.	Pupils with SEND might face significantly greater challenges in learning than the majority of their peers The impact of SEND on academic attainment is closely related to the EEF's focus on economic disadvantage.  https://educationendowmentfoundation.org.uk/projects-and-evaluation/howto-apply/themed-rounds/improving-outcomes-for-pupils-with-send/	1, 2, 3,
Priority 4: Further engage parents/carers in their child's education and learning.  Identification: Disadvantaged pupils come from households with limited stability, poor attitudes to education and low aspirations. Parental engagement is low.	Improved channels of communication to keep parents/carers regularly informed about achievements, learning and up coming events.  - Arbor  - Twitter  - Verbal feedback from staff  - Postcards home  - Celebration events  - Parental workshops  Clear focus to be established on the importance of parental engagement on their child's development.	EFF research identifies the crucial role parental engagement plays in pupil outcomes.  Parental engagement   EEF (educationendowmentfoundation.org. uk)	4

Whole school music	Charanga

## **Further information**

When planning our Pupil Premium Strategy Plan we adopted the tiered approach, focusing on:

- High quality teaching
- Targeted academic support
- Wider strategies

From this we identified the challenges linked to each tier and the mitigating actions we will take to overcome each barrier and linked each of these tightly with our school improvement plan to ensure they remain highly prioritised and impact of actions is regularly monitored.

Area	Challenge	Mitigating action
Teaching	Providing adequate time for professional development.	Effective and efficient use of staff meetings and INSET days.
Targeted support	Ensuring targeted support is provided by SLT to support staff in delivering interventions.	Senior leadership capacity and support to SENDco who is experience but new to school.
Wider strategies	Developing a change in mindset to attendance and the importance of education.	Improved channels of communication with parents/carers, including regular texts, emails, visits to school and parental workshops.

To further strengthen our strategy plan, we have created an approach to supporting disadvantaged pupils. Again, this approach reflects our tiered system above.

#### High quality teaching:

Underpinned by early identification, tailored support through QFT, effective feedback and use of regular assessment.

#### Targeted academic support:

Incorporating planned teacher support, booster classes and daily reading opportunities.

#### Wider strategies:

Fostering a positive approach to relationships with our families and promoting good attendance.

OUR APPROACH TO SUPPORTING DISADVANTAGED PUPILS (adobe.com)
